>> HI Kimberly...I understand one of Eva's employees is still using apt 11B?? We need to get an exterminator in there as well as seal a hole under the sink...I am trying to find out when these two things can be accomplished from the building maintenance man, but wanted you to please give the heads up to whoever is in there...Is this person usually gone during the work day? (also, just wondering how long this person plans to stay? I don't really know the situation)
