Just now walking in my house after 3:15 hour commute! The snow is incredible here. I hope her flight takes off. She is heading south which is good.

██, JE is saying Karyna can take a car service now...but does this screw up the items she needs to take with her? I suppose the car service could make a second stop to the house after picking up Karyna to fetch the bag w/meat. Can she handle it alone or should Jojo ride in the car with her to the airport?

   Jojo will drive up to CT to get gas in the car today in preparation to take Karyna to the airport tomorrow. He will leave around noon today.
