Sucks! Of course I will ask to be rerouted. Thank you for doing this legwork. I know you will understand but I so hope, for you and for me I can get out of here. I am surprised LGA is still closed. I thought JFK got it worse. I will call American The salon I am at has horrible reception. I keep having to step outside to get my aisles and calls

interesting. i just talked to AA.

LGA is shut down today, but some flights are going out of JFK and Newark tonight. If they cancel your LGA flight, ou can be rerouted if you ask them to do so for you.

I would say you should see waht happens but also trust your instincts. Sit still and ask yourself what the right answer is--you'll know.

As for me, I'm sincerely hoping we get to do this because I really need a getaway and I love my Lesley time. But of course I am flexible and understanding as always.

Be safe!
