Larry,

FYI, departure on Oct 26 will be from Meridian at TEB. Jeffrey will disembark at Landmark at IAD. Per your request, we will arrange for a taxi to meet him at Landmark. He will return the evening of Oct 26 to Meridian at TEB.

Please note, the operator advised departure time will have to be 30 minutes earlier from IAD to TEB due to crew rest requirements. Departure time from IAD to TEB is now 9:00 pm.

You indicated his ground transport to and from TEB will be coordinated by [REDACTED].

Find the revised quote attached. Please email or fax the signed contract back to me with a c.c. to Rebekah Herbert [REDACTED] as soon as possible. Richard Kahn has wiring instructions.

Thank you.

Best,

Ray
