Ok, thanks for this...I will let Jeffrey know you are working on the details and want to go early to help Steve!

Hi there

Just sent Corley an email lets see what she says. She's the head of the event staff.

I have to be a little early to this thing to calm Steve down backstage. I don't think JEE would want to go early so I will meet him at the entry and save him a seat next to me. Will get the times squared away asap.

Im getting on a plane at noon (in 2 hrs) and will be there 10pm tonight.
