I do concur on the tail number of the plane. ...and yes, he is filling up the plane quickly. Jeffrey has invited another guest to fly from Washington back to NY with him as well...that would make 7 passengers possibly on way back!

Full Names of Passengers:

Jeffrey Epstein
Karyna Shuliak
Boris Nikolic

[REDACTED]
[REDACTED]

Reid Weingarten would be the add on passenger coming back in the evening...however, Reid has not confirmed as of yet.
