Hi Larry,

I will update the crew and let them know that you have set up a Suburban.
Can you give me the company name so that I can call them tomorrow to make sure they are in position for the arrival?

Thanks,

Rebekah

Hi [REDACTED],

(Ray, I booked a Suburban for Mr. E's arrival tomorrow with Landmark Aviation).

[REDACTED],
Since 6 passengers are going, I made a command decision to book a Suburban w/driver to take Jeffrey into DC,. Taxi's can be busy around noon time, so there is no delay,. Normal Taxi w/traffic could cost \$100+ and this Suburban is \$220.00 so I elected to book the Sure thing, hope this is ok?

FBO in Washington is Landmark Aviation, and Tail number is seen on paper work is N650CB,. Do you concur?

Its an 8 passenger Jet, so he's filling it up quick,. Can you fwd passengers names to Ray

Thx

Larry
