Each passenger has to be checked against the TSA no-fly list. Ideally we would like to confirm the list no later than 8am (East Coast time) tomorrow morning to avoid any delays. Please let us know when you have the final count.

Thanks!

Jeffrey needs to confirm the passenger list ...for sure it is changing from this.

Larry also said that if Jeffrey wants to leave at 7:30 instead of 7:00pm that it is ok...

I am hoping Jeffrey will give us the list soon...when do you need the list by at the latest?
