Subject: Paul Morris

Date: Mon, 22 Oct 2012 17:37:08 +0000

Paul Morris called to say thanks for the invitation to come see you in Paris...but now Paul will not be going to Paris until Dec. However, Paul is in NY and would love to stop by and see you if you had any time at some point. Paul cannot conduct any business until mid November (he is on "garden leave")

He does wish to stay in touch.
