I hope you don't mind if she stays in 11B till I return, I was able to visit the Gulfstream on Sunday and pop to London today,. Yes, i;m tired, and the weather in London is so foggy, you can't see 50 feet in front of you,. Let me know if its OK for Eileen to stay in apt while i;m gone,. or if you need the apt, i'll move her to a hotel if your in a bind for space,,
