Dear Jeffrey-

Did you see this message from Senator Gillibrand? Congresswoman Kathy Hochul is one of the Senator's top priorities this cycle and [a poll released over the weekend](#) shows her re-election race dead even.

Senator Gillibrand is all in on this one, and is headlining a breakfast fundraiser for Kathy on Tuesday, October 23rd at 42nd & Park Avenue. If you join the Host Committee and contribute \$1,000, you can take part in an intimate VIP reception that will include a photo op with the Senator at 8:00am. For \$2,500, you can get three tickets for the VIP reception. Space is limited, so [sign up here](#).

Tickets to the [general breakfast reception](#), which begins at 8:30am, start at \$250.

Please let me know if you'll be able to join the Senator in supporting Kathy. This race is too close to let slip, and with the Super PACs already charging in, your help is vital.

Thanks very much, and I hope to see you on the 23rd.

Best,

Lisa

Friend,

When John Boehner announces he's coming to western New York for a fundraising breakfast this weekend, we need to take notice.

Boehner has made Tea Party extremist Chris Collins race against Rep. Kathy Hochul a top priority. Now he's taking a page out of Karl Rove's playbook and opening a so-called GOP Victory Center to turn out their right-wing base.

This is serious. Polls show this race absolutely deadlocked and far-right groups have bought more than \$775,000 in TV airtime to attack Kathy. If we want to take back the House, we must make sure Kathy wins.

I've set a goal of raising \$30,000 this week to help give Kathy the resources to win her tough new district. Are you with me?

[Click here to donate directly to Kathy with less than a month before Election Day, she'll be counting on us to help her fight Tea Party attacks and turn out her voters.](#)

This is a DCCC Frontline race for a reason. Kathy has proven she's not afraid to stand up to Boehner and Paul Ryan and fight for middle-class families, while multimillionaire Collins says the draconian Ryan budget didn't go far enough.

I can't lose a spirited partner like Kathy. So I'm doing everything I can to make sure she beats the Tea Party and returns to the House to fight for all of us. I hope you'll join me [and donate to Kathy Hochul today.](#)

Sincerely,

Kirsten Gillibrand
