thanks.. I did not know the plan had changed, but of course I'm not surprised. If she left on the 7th, she would arrive on the 8th..

he did not give me those dates... [REDACTED] said the plan was to leave on the night of the 8th and to make the reservations for 9-12th...but it sounds like plans have changed. So glad you chimed in! Can you confirm when I should make the hotel reservations for? If she departs on 7th does she arrive on 7th?

Should reservations be Oct. 7-10 or Oct. 8-11? or what?

[REDACTED] just checking did he give you those dates and if so when. I have a flight booked for under his instruction departing NY on the 7th, arriving Kiev 8th, then he said she will stay for 3 nights.

He originally wanted her to leave on the 8th but I couldnt get the direct flight so we settled for the 7th yesterday

I stupidly sent him an email with 2 questions in it. 1 - Whether we should do the Hyatt for [REDACTED] through Pritzker and 2. Whether we can help Jean Luc to upgrade his room through Pritzker. He answered 'yes' but I dont know if this is for both questions
