She does but it is not the same as just relaxing, she still has to get up and come over.

do you think this is a sideways way of telling us she didn't take a week off last year, therefore we owe her a weeks pay for last year?

For some reason I thought we DID discuss her not taking a week off and we DID give her a weeks pay? Or did she take a week off and go somewhere...gosh, I can't remember. I am fine with giving her a weeks pay and working. Easier for us. I do think she gets a lot of paid time off however.

Hi.. I wanted to talk to you but we don't really have much time so [REDACTED] sending you and email :)..
I was thinking that I have one week off of vacation but instead of taking that week I want to work and just get the money if that's ok with you and Ike.
I honestly had forgotten about me having one week off, that's why I didn't remember last year :)..
