Hi there...things are up in the air for the moment...Jeffrey now needs to be in NY thursday night. We are canceling Janusz and [REDACTED] flights to PB on WED night so they can be here for a dinner on Thursday evening...Jeffrey says he will either go to PB at 10pm on THursday night or depart friday morning to LSJ and he would take Janusz and [REDACTED] with him.

When more is learned we will pass along! (Y'all are due on LSJ on Thursday 27th? Maybe you go sooner?)
