Les,

Bella left and did not leave the door unlocked so I can leave my keys on your desk. I will leave my cabinets unlocked. Just have the front desk open the door for you and if I need to I will send an email to tell them it is ok. Let me know if you need that.

Do you think you could leave me the keys to your office and the file cabinets in my top desk drawer so i can get Some filing done Monday and Tuesday please? It's piling up and my bet is it will be somewhat quiet!
I'll close your door everytime I leave your office and unlock it each time I need to go back in. The filing is weighing over my head and I just want to complete it.
