Lesley,

The meeting is from 10am - 2pm on Nov. 26th. I'll hold the night of the 25th.

No worries. Maybe we should do both nights for now... I think it really depends on the itinerary of the conference. Does it start early on 26th? Or is it an evening thing? If early, I would think Jeffrey would want to stay night of 25th to be there for the early 26th arrival to event. ... If event is late on 26th he may only want to stay the 26th. Do you have the details of the event?
