Subject: MY LIMO [REDACTED] Call them
Date: Thu, 13 Sep 2012 11:50:23 +0000

Hey Darren. If you are canceling your trip can you call My Limo and cancel them? I am afraid during my commute I may not have good cell service(tunnels, etc). Unless you tell me before 8 (usually ok service before 8) I can call at 9 am when I arrive JE's but I think they pick you up at 10.. feel like its better to do early. They may dispatch the guy by 9...

I will cancel your ticket and hotels
