I can't tell you how much I appreciate it.  
Keeping you in my 'owe you one field'...

I will remind him today and see if we can get you on his calendar and I will keep you in my 'reminder field' as well.

...totally understand

Hi Les,

Never heard from JE yesterday at 2:30 or anything about another meeting this week. Let me know if anything works. I was there on Sat but we only got to chat for 10 mins b/c he had other meetings.

I can be very flexible. This was a really important to me and I don't want to bother him...but I do want to stay on top of it.

Thanks again!
