Wow [REDACTED]. I hope you were able to get some sleep last night. So it sounds like you really said nothing to each other. Sometimes actions speak louder than words. He's gotta feel like he treated you poorly I'm sorry [REDACTED]. Like I said, some lucky guy is out there waiting for you! I hope you have a good weekend. [REDACTED] :)

I pushed him out the door when he arrived. He waited outside for a while and emailed you then left. I had to go after him and get him back! Then we just hugged on the street for about 2 minutes. He didn't let go... Then I brought him in to Je and left the house so I didn't see him again. He called my phone and sent a text
