visiting him on WEd. afternoon or evening...and if Reid says ok, that wheels up Wed. would be
noon...but we need to hear back from Reid first...

posted when you find out, I'm trying to fly the new helicopter from fort lauderdale to paint
shop in fort pierce and catch an airline flight at 6:40pm tonight to NY, if he delays, would
be great, and I will not have to rush, but no problem if we are still a go for noon tomorrow,
