They are booked, all fully refundable. He did not respond to my email but at least we have them booked for now. Flights are scarcer and less good routes between st Thomas and my at the moment so at least we have her on these ones. I am sure there might still be changes made.

I have reserved her on the usual American Airlines direct flight from St Thomas to New York on August the 26th. There were no economy seats available so I reserved her in Business.

On the 31st the only direct flight from New York to St THomas is an afternoon flight and gets to St Thomas at approximately 8pm. I have reserved her in economy. Is this ok?

On the 3rd of September there is no direct flight. I have reserved her on a connecting flight through San Juan.

I asked Amex why there is a lack of direct flights and they said they think it is a seasonal change in response to demand.

[REDACTED] and [REDACTED], I will forward tickets and itineraries to you once I receive them from Amex
