No issues, she basically has Jojo drive her up to the tail number and walks aboard :)

The name of the fbo is Million Air White Plains- if Jojo puts 136 Tower Rd in a gps then the town he should select is Harrison but it's actually White Plains. She doesn't have to arrive too early, you just never know the traffic for Friday mornings. Does that help?

Rachel, I don't think [REDACTED] will need to go through standard security for this right? Basically, I am wondering what time she should leave the city to make sure she is at white plains airport and ready to board that plane without issues...what do you think? Depart city at 7:45am? Who will she meet up with at the FBO (which I'm thinking you are still waiting on the exact FBO?)

I am still awaiting exact details, but please let [REDACTED] know that the plane, Tail # 365EA will take off from White Plains, NY on Friday morning at 9:10am to East Hampton. Upon landing, they will pick Steve up and then the plane will leave East Hampton at 10am for New Mexico.

The airport's address is 136 Tower Rd, West Harrison NY (Million Air Airport- HPN, White Plains)

If she has any issues, please have her contact me at the number below and if you could forward her contact phone number just in case, that would be great.

Thanks,
