Jeffrey thinks your idea sounds perfect! Jeffrey is to stay at the Ritz, and I was thinking maybe you meet him there in the lobby at 10am and all go together in his car...I am waiting for him to reply...Jeffrey does say he wants to see lots of Stanford...[REDACTED] sure the day of you can play things by ear as well...but we do need to get the meeting place/time all set :)

Hi [REDACTED].

The kitchen at my institute is shut down for August, so we would need to eat someplace else. It's about a 40 minute drive from SF to Stanford (where my institute is). I assume that Jeffrey will have a car. How does the following sound:

1) Assuming that Jeffrey is staying in SF (is he?), we drive down there around 10:00, and spend about an hour there.

2) We play lunch by ear.

Would this work?

Thanks,  
s.
