You bet. My printer at 71st and bella's old printer both up and working. The issue with my printer took all of 5 minutes. My address book is another matter. He was able to reduce my 30,000 entries to about 19,000 but there is still work to be done. He is to come this wed and work on it again however. I will ask him to make it speedy

I just reviewed and paid Scott's bills which i thought were extremely high  
Can you please hold him accountable for his work - for example [REDACTED] i know he keeps working on your address book and printer  
We need to pay him for a solution not to continuously work on same issues..
