I smell lots of food needing to be around for Aug. 9th with Barnaby Marsh and Geoffrey West coming to visit the same day. I don't know how long it takes to get food or how far you have to drive...I figure it is not same day delivery like NY!!

I will ask JE tomorrow if he wants a proper breakfast, lunch, dinner this day- or what exactly does he want Francis to be prepared with so no one is caught off guard!

I'll let y'all know!
