I know y'all are handling the pick up and delivery to Baylor, but may I have the address of exactly where JE will be dropped off for his itinerary?

Tremendous! Thank you for this and yes, once Larry has hammered out the details he will provide us all with the information. May I ask how long of a drive from the airport to the campus? I know Ken said he is available 10:30-12:00 and I'm sure Jeffrey would lime to make sure to spend that while time with him. Thx!

Hello Jennifer. Thank you for the help on the airport. I'm sure Larry our pilot will be able to figure things out for landing, etc...

Ken offered to have Jeffrey picked up and brought to campus and zipped back..that sounds lovely. Could we have a phone number contact for someone on your end? I believe [REDACTED] Jeffrey's assistant, will be traveling with Jeffrey on Monday July 30th. Her cell phone number is:

[REDACTED]

Please do let us know of any more details we should be aware of.

Thanks, [REDACTED]

Hi Larry,

I will be happy to help in any way possible. As I mentioned to Judge Starr, I think the TSTC CNW airport may be best for smaller, private plans – it is where GWB landed when he visited his home in Crawford – but I am definitely not an expert. Please let me know what I can do to assist you.

Larry:

Howdy, and welcome (in advance) to Texas. I think TSTC CNW will work best, but we're double checking. As I'm off this afternoon and will be traveling over the next few days, I am asking Jennifer Jarvis in this office to coordinate with you, confirm (or amend) the foregoing, and keep [REDACTED] fully in the loop.

We'll meet Jeffrey at whichever airport, and get him to campus (not far, regardless of the airport choice), and zip him back. Not to worry about ground transportation.

Look forward to seeing you soon.

Best, Ken

Hello Mr Star,
hope this email finds you well,
I see there are two airports for Waco TX, which airport do you recommend is closest for your meeting with Mr Epstein?
Waco Regional / Executive "ACT" or main airport Waco TSTC "CNW" ?
thank you,
Larry Visoski
