Hey Melanie...Jeffrey is asking me what the greatest show is that is going on right now in Vegas...I sent him the link of all the shows that are happening on Aug. 4 and he says he does not know what is great and wants someone with knowledge to give a few suggestions...I know this is somewhat considered a personal opinion type question...but would it be ok for me to email Patty and ask her what is the most popular show(s) going on now? I didn't want to email her with out asking you...or perhaps you could ask her? I am also going to send the link to Soon Yi and see if she has an opinion!

Hi Melanie,

It is best to go on the attached web site. There are hundreds of shows. Of course there are top shows that I recommend such as our headliners here at the Coliseum. There are many great Cirque shows throughout the city ie "LOVE", "O", "KA", etc

Garth Brooks is at Wynn a few days a month. I hope this helps. Let me know what they decide and it is my pleasure to assist in booking.

Best,

Patty
