Lesley,

I got an email from Sol Krawczyk regarding your address change. We also have a different company name listed in our computer and he did not tell me if you were the same company or not. We currently have you listed as Darren Indyke. Did you buy this machine from that company or are you formerly known as that?

Please advise so I can update the computer properly. Also need to know if your phone number and fax numbers are the same as well.

Thanks!

Mary Ann Hannigan
