It's been awhile, but it was usually just basics. Juice, milk, bread, some fruit. I think that's fine with the bagels salmon and cream cheese, that's plenty.

thanks! I know we used to do like milk, eggs, OJ...and Jeffrey is mentioning bagels, salmon...so I'd think some cream cheese...but once again, [REDACTED] did this a long time ago for guests...

Bella, I want you to see that JE is requesting Francis to purchase stuff for JE's guest!

Morning Francis and [REDACTED] Francis, Jeffrey would like for you to leave a few basic food items in apt 10N for his guest who is arriving today in the afternoon. Please speak with [REDACTED] about what to purchase and coordinate getting into the apt. I would try and have this done by noon today. [REDACTED], I'm asking your help cause I know you used to sometimes buy food for guests and you can hopefully be around to let Francis in to 10n :)

Thanks!  
Can you both please reply back so I know you have recd this message!
