Ok super!! I will let Jeffrey know you are good with the info

I will look into a ticket for you! ...but I have one more question! The airlines need birthdate information in order to book a ticket. May I have your birthdate too! :)

Bozeman, MT (BZN) is the airport I'll be flying from.

And yes, I have gotten all the info i need for the area now, thanks for getting that stuff. Basically I just needed to know the exact location of his ranch.

All the best,

Jack

Great! I'm happy to do it...where do you originate from? ...and if there are a couple different airports there, which do you prefer to fly out of? We will for sure have you picked up from the airport in Alb. and driven to Jeffrey's ranch...no worries there.

Also, Jeffrey wanted you to know that the University of New Mexico palentology dept might have some more info if you so desired...

Hi Lesley, Since I don't really know how long it would take to get from Albuquerque to the ranch and visa versa, and don't know how I'm to get there (would someone be picking me up or should I rent a car) it would probably be best if you just booked the flight for me. Delta Airlines connecting through Salt Lake is the most convenient for me. My official name and frequent number is :

John Robert Horner

Delta # [REDACTED]

The geology maps are perfect.

We paleontologists always like to know the age of the rocks we are standing on.
