Subject: Woody dinner

Date: Wed, 27 Jun 2012 14:09:06 +0000

Have either of you heard anything from Katherine from woody? Still have not had confirmation about the dinner tonight. I wouldn't get in touch with her though before checking with Je, he thinks this may be a stressful time for woody and doesn't want them to feel pressured. Would love to know though as I still don't know if Valdson needs to cook.
