What time does JE normally go for dinner when in Paris? I think if we don't hear from Kathryn in 2 hours, we should touch base IF JE wants us to...can you 'feel out' JE on this [REDACTED]?

I wouldn't get in touch with her though before checking with Je, he thinks this may be a stressful time for woody and doesn't want them to feel pressured. Would love to know though as I still don't know if Valdson needs to cook.
