Hi Lesley--

Thanks for letting me know--funny how these things happen sometimes, isn't it?!

But not to worry--I am away from the 4th to the 14th, but Kathy V. will be back, so between us, as well as the administrative officer in Prof. Lloyd's department, someone will always be on the lookout.

Best,

Deb

Deb, incredibly, the person who signs our checks had to make an impromptu business trip! I was hoping to have a check out to you yesterday! Geez! Hopefully soon...I will be sure to give you the Fed Ex number of the envelope and scan and email you a copy of what is being sent!

Dear Mr. Kahn,

Many thanks for your message on behalf of Jeffrey Epstein; we look forward to receiving the first installment of his gift. If you are sending a check, it should be made payable to MIT (or Massachusetts Institute of Technology), and sent with a note indicating that it is for discretionary support of Seth Lloyd's research. For planning and recording purposes, it would also be helpful to know when the second \$50,000 is expected.

The official mailing address is:

Attention: Kathy Vitale  
Associate Recording Secretary  
MIT Office of the Recording Secretary  
600 Memorial Drive, W98-300  
Cambridge, MA 02139

If you are sending funds in another form, please let me know, and/or see the following FAQ page: <http://giving.mit.edu/faqs/#mechanics>

Since Kathy is out of the office at present, I would appreciate your copying me on your transmittal, so that I can keep tabs on the gift's arrival. My address is:

Deborah J. Cohen  
MIT School of Engineering  
Room 1-211  
77 Massachusetts Avenue  
Cambridge, MA 02139

Thank you very much again, and please don't hesitate to contact me if questions arise.

Best,

Deb Cohen
