Rich says he handed you this package (?) when it came in ...Fed Ex sent it back to [REDACTED] (that is the return address you had on the label) It arrived [REDACTED] on May 29th at 10:38am signed for by H. Santiago. I think because we moved, they kept it at [REDACTED] for awhile then handed it to a Fed Ex guy and told him to bring it over to 71st. Rich says he knows it was a Fed Ex guy that gave it to him last week sometime and that he then handed it to you....
