Good morning Ian...have you been able to pin down your plans? Might you be able to delay your trip and visit with Jeffrey either this Sunday evening, June 17th, or Monday, June 18th, morning?

Thanks Lesley.

If it's all right, I will come back to you tomorrow because I'm currently due to leave NY on Sunday night, but said to Jeffrey I'd do my best to delay this until Monday. But I'll hopefully know by end of Tuesday.

Best wishes,

Ian
