Hey Darren, do you know if Jeffrey spoke with them? I saw this email you cc'd me on yesterday and sent an email to Tonja and cc'd Jack and fred, asking if a call was Scheduled for today and If so what time and it sparked conversation ...Tonja emailed back saying she never did say there would be a conf call today and she is not available ... Then jack said he could do one today late but Monday would be better ... Tonja then said she could do one Monday. Bottom line, it seems like I put pressure/ stress on which I didn't mean to do with my question of a conf call for today.

-do i need to try and organize a conf call with Tonja, Jack, Fred and Jeffrey for Monday or at all? Do you know ?

I think it would be a good idea for you to prepare a list of questions/topics you came up with this week for the rothstein depo to review with Jeffrey and get input. When do you think you can provide this?

Also what is your anticipated schedule for depo subpoenas to the others discussed on the phone during the last call with Je?
