Hi [REDACTED],

Don't have it yet! Nudge me next week - will hopefully have it by then. (P.S. I think 'July' was a typo, but just in case: Woody's in Paris June 22 – 27th)

Best always,

Kathryn

Hello and happy Monday :)

Jeffrey is asking if he could have Woody's schedule for Paris...openings, parties, return (omg, which I know is July 27th...so not sure why he is asking again...I suppose things can change...but...)

So whenever you have a moment to pass this info on it would be great!

Thanks,
