it is 160 pages
I'll see if [REDACTED] new printer will handle.

FYI it is only the manual from his hotel. It will have to be rewritten completely.
It is a huge job. Most items do not apply here.

We had plans to start on it late next week, I had discussed this with Steve Hanson. The logic was to get major construction finished first. I need the managers input to write the manual. They are currently way to busy to sit in an office all day doing paperwork.
