**Personal invitations from you for people to attend the Future of Government private session** – there is a draft letter and suggested list in the schedule attachment. If you are happy (and I am checking with the WEF who is already invited) then I will send tomorrow. **OK?**

**Event schedule** – you don't have to decide now, but there I've attached the full programme and suggested what might be the best options in the draft schedule attached.

**Dinner on the Monday night** – you have an invitation from Crescent Petroleum for a dinner on the Arab world. Need to accept or decline.

Happy to talk through on the phone if you have a second and it's easier.

Duncan
