No worries at all. You do not need to come at all. Enjoy your weekend. Speak more tomorrow.

Hey Rich...Jeffrey will be in town the week of May 27-June2 and I will be working from the house. Will be a busy week with the World Science Festival going on ...I can come over to the new office at 5pm on Thursday May 31 but then need to leave by 7pm to meet Ike for a client dinner...this has been on the calendar forever and I really need to support Ike. The dinner starts at 7pm but I'll be a tad late...The following week Jeffrey will be on the island and I can plow in to all the unpacking then.

Yes process has begun and we are making good progress. Move is scheduled for Thursday May 31st at 2pm as new building does not allow us to enter until 5pm. Wednesday May 30th in the evening Murph and I are going to move computers to new space and configure servers. Thursday May 31st I was planning on having everyone work from 1pm - 9pm so we can have assistance during move and begin to unpack. Since new office is providing furniture we will be taking minimal furniture (4-6 file cabinets, 2 copy machines and 3-4 printers and boxes of necessary paperwork. We have shredded lots of unnecessary papers and already sent 20 boxes to storage.

We will be getting new phone numbers effective June 1st which I will distribute on Monday.

I will update further next week.
