Subject: RSW named National Design Awards Lifetime Achievement Recipient by Smithsonian Cooper-Hewitt

Date: Tue, 15 May 2012 20:56:56 +0000

I am deeply honored to have been chosen as this year's recipient of the Lifetime Achievement Award by the Smithsonian Cooper-Hewitt, National Design Museum. As this is the highest interdisciplinary design honor in the U.S., it is particularly special to me as it reflects on a career that touched a group of disciplines.
