Sorry, Lesley. I didn't know Ava had sent it. I wanted to double check it. It should be correct but I will let you know if there are any changes.

Thanks! Here's another question. On February 21, Jeffrey flew from NY to Denver and then from Denver to New Mexico. The next log I have is for Mar 1 from LA to Florida. How and when did he get from New Mexico to LA?

Hi Joan...so sorry for the confusion...looking back Jeffrey did NOT take the Open Skies flight on the Jan 7th...this flight was cancelled. Jeffrey instead took his own plane on Jan. 8th from Teterboro to Manchester, NH and then Manchester, NH on to Paris.

Thank you and if you have any more questions, please do ask!

Lesley-

Can you please clarify the flight logs you sent for January 7 and 8? There is an Openskies booking for JEE from NY to Paris on Jan 7, arriving Jan 8. Then there is a Hyperion log leaving Teterboro on Jan 8 arriving Manchester on Jan 8. Then there is another Hyperion log on Jan 8 from Manchester to Paris arriving Jan 9. They all list JEE as a passenger. This does not seem possible if JEE was in Paris on the first flight arriving Jan 8??

Thank you.
