don't worry...I'm sure all will be fine...I am not even positive that someone will be staying there...I am just guessing because he wants it cleaned..

funny about the bronzer!! I'll be sure she bleaches the linens!!

Have a great trip :)

Ok no problem.. Do you think that person would want to stay longer then the time I would be gone..? If so, let me know and I will just maybe pass by to pick up some of things and stay with a friend or my parents.

I am seeing Jeffrey after the weekend and traveling with him next weekend. I could ask him. ;-)

tell the cleaning lady to bleach the linens.. They haven't been changed in a couple of weeks and I have no idea how but one of the pillow cases has bronzer or make up rubbed on it... And I don't wear make up!! Hahah...

If you need anything else before I leave let me know.. Going to airport around 7pm today!

you are the best Sam. I have [REDACTED] coming to clean tomorrow morning...I think Jeffrey does have a guest he wants to stay there...we will be sure they are out prior to your arrival evening of 20th and apt all cleaned and ready for you!

No worries.. I will!!

By the way, I stripped the bed, placed all the linens and towels on floor. She hasn't come to a couple of weeks so they certainly need cleaning..

All clear for the closets.. My things are by the front door closet and the bottom 2 drawers of the dresser. Just tell whoever stays there not to use those. The rest are empty for use.

I'll keep some other things where they are like in the bathroom vanity and my vitamins/ proteins in the kitchen. I don't care if some one uses these things..

If you are busy, I can text the cleaning lady and tell her to come tomorrow..? That way the apt will be clean if some one needs it last minute... And if no one uses it, it would be clean for when I get back.. Let me know. I could do that.

Thank you!!

Sam

Hey Sam...I am not sure...ask the door men..

Just tried to throw these things away but realized I can't really place them in the trash room.. It's small and the door won't close if I placed them there..

Would I have to take them downstairs some where..? It's not a problem. I just need to to know the right place.

Haha.

Sorry.

Of course.. Anything I could do to help, just let me know.

There are no confirmed trips after I am back on the 20th but if anything comes up that's longer than a day or 2, I will let you know immediately.

I'll place the misc items aside for now till you tell me what I should do with them.

Thanks again

Sam

hi Sam...thanks for helping us out...I will make note that you are leaving tomorrow night, Wed. at 11pm. I am asking the pilot about the few misc items...but it does sound as if they are trash...will get back to you...and of course if someone stays in the apt, we will have it cleaned for you prior to your arrival on May 20th evening.

I moved all my clothes and belongings from the bedroom closet to the front door closet. I feel like if some one stays at the apt, it would be easier for them to use the bedroom closet.

I am only leaving some of my things in the 2 bottom drawers of the bedroom dresser.

In order for all my things to fit in the front door closet I had to move the left over stuff that the pilot left in there.. Would you like me to throw that stuff away..? It's really just junk at this point from what I see... It's basically an empty plastic storage box with no lid, a really old and broken printer and another cardboard box just filled with CDs and a few cords which seem to be for old electronic stuff.. If you want, I can throw it out or place them in the bedroom closet for now. Let me know!

I leave tomorrow night instead around 11pm. Not Thursday!

I would just need the apt cleaned If some one stayed in it while I am gone the day before I arrive, which is May 20th at night.

If there's anything else you'd like me to do before I leave please let me know!

Thanks!!

Sam

Hi Sam...I do hope you feel better asap! It is not fun to travel and when you don't feel well! I am not sure if we will need 11B while you are away but it is always possible. I would only put someone in there as a last resort...it is up to you regarding your things...I would at least have personal things tucked away ...even if in the bedroom closet...I will ask to have your apt cleaned come 11th...

Hey [REDACTED]

How are you..?

I got a message from [REDACTED] last night to call her about the apt. I called her twice today but haven't heard back. I am sure I'll hear back from her later today.

I am emailing you about my coming up trip. I honestly have no idea how I would make it as I have a horrible cold and chest infection, but I am leaving Thursday to Europe and coming back Sunday May 20th...

I assume that you will need the apt for some one while I am gone. Should I leave all my stuff to the living room closet..? I wasn't able to find some one to install locks on it yet.

Let me know what you'd like me to do.

Thanks

Sam
