Thanks Elizabeth. I don't know what could have happened. More people including me will be at the house next week and we can search some more. Let me know if your mailhouse has anything else to say.
) thanks

> Hey Elizabeth...so no one has been able to find a box from a messenger with your nice little gift...? Does your messenger have a signature from delivery? I don't mean to make a big deal of this..it's just if someone asks Jeffrey if he liked his gift and then we were not able to produce said gift, it would not be good...Jeffrey is touring the NY Academy School on Monday and I am just trying to hedge any issues that could arise! Was it a mask? :)
