Subject: Fed Ex's to island

Date: Thu, 03 May 2012 19:02:51 +0000

fyi...the fed ex from May 1st arrived yesterday at 4:49

the fed ex I sent yesterday, May 2nd, says it is in Memphis right now...I shipped it the exact same way, so not sure why it is not in St. T as of yet..However, the web site still states it is expected to be delivered by 6pm today.
