Subject: vitamins for Jeffrey

Hi [REDACTED]...Did you find out how your friend [REDACTED] shipped the vitamins? I will not be in NY tomorrow BUT I have advised the doorman at the apartments to be on the lookout for a package with my name on it. I will have Janusz, jeffrey's driver, go and pick up the package and bring it to the house for Jeffrey tomorrow...

but it would be really helpful if we could find out exactly how the package was shipped (via Fed Ex, UPS, etc) and some sort of tracking number :)

Thanks! [REDACTED]
