Janusz, you will need to come see Bella for an authorization letter to take with you to the garage...see below:

Just called Eastside Parking (Bentley). I will write an authorization letter for Janusz. He will need to bring it with him to the garage.

Hey Rich...can you call the garages and make sure that Janusz's name is on the list of drivers...I thought this was sorted out the last time he was in town and driving...perhaps we changed garages? not sure...but we need to make sure he has access to both cars whenever he needs them.

Hi [REDACTED]

I had some difficulty getting the garage to let Janusz take the suburban tomorrow. They eventually, after asking me a lot of questions and taking all my details, are letting him take it tomorrow to take us to the airport. I don't know who out of the 2 of you they know best but could one of you call them and organize that Janusz can drive for the next couple of weeks. I also had no idea that the Bentley and the Suburban are in different places. I am sorry, this is partly my fault, I took it for granted that Jojo would have let them know Janusz was taking over for a couple of weeks.

Let me know how it goes.

Thank you
