ok this is all good to know! She actually did just call me back and filled me in as well...she brought an Ipad with her and i told her she should keep it in the kitchen and check it periodically for updates during the day of JE's schedule. I'm glad [REDACTED] will be here...we need to all help her out! Janusz too...I want this to be a good experience for everyone. I will go over to the house on THursday probably to get my computer up and running, introduce myself and go over again JE's itinerary with both of them

I have never actually met her. I know the reason [REDACTED] came to NY was to debrief them and go over everything with them. We want to make sure they are trained properly, thus didn't want any input from Lyn and Jojo. She has never worked for JE before..this will be her test period. I know [REDACTED] has been going over things with her as well.

Maybe y'all have but just in case...I asked Janusz for this :

[REDACTED] does not have her e-mail hook up to her phone.her e-mail: [REDACTED] and her phone [REDACTED]

Is anyone "debriefing" [REDACTED]?? Did Lyn give her any pointers?? Has she worked for JE before in PB? Is there a way we can help her? I have sent her and Janusz JE's schedule as it stands at the moment...and I left her a voicemail asking her to call me so we can go over the itinerary...have not heard back yet...how is her english?
