Let's make it 11 am

That will give me time to show him some of the challenged areas

He can depart later if necessary

Jeffrey does wish to have a call with Joaquin tomorrow while he is visiting the island. Do you think it best for the call to happen after he has toured some of the island? Maybe a call in the middle of his visit would be appropriate...if he arrives at 10 and departs at 11:30..how about 10:45???

let me know....

thanks, [REDACTED]
