Lesley,

I found a meat supplier – Lobel's at 1096 Madison Avenue between 82<sup>nd</sup> Street & 83<sup>rd</sup> Street. I think you should open up an account here as it is one of the premier and superior suppliers for whichever chef you hire. They should use this store for their terrific meat products, I'm surprise Jeff hasn't used it before. If you just call them at [REDACTED], I spoke to Roman and all you have to do is give them your credit card information either by sending it in or walking in the store and then they will have an account set up so that the chef can walk in and pick up his meat. Also, see what their policy is regarding accountability as you must be aware, it's one of the oldest chef's scams in the book. They could take some of the product intended for Jeff, so it's good to have someone check on it every once in a while. They may not start off that way, but sometimes can breed dishonesty.

Let me know if you need a hand at all.
